Equestes Veterinary Examination Form

Equine Business with Confidence

Equestres[®] Veterinary Examination Form

The Equestres[®] Examination Form offers more transparency in the equine business.

The Equestres[®] Veterinary Examination Form offers:

- An extensive info for the buyer on all relevant examinations such as clinical examinations, radiographic examinations, blood tests, doping examinations, ultrasound examinations, and so on;
- An international Standard;
- A disclosure on the veterinarian independent position towards buyer and seller;
- Implies exclusive jurisdiction of The Equestres Expert Panel for the purpose of hearing and determining any suit, action or proceedings which may arise out of or in connection with this Equestres[®] Veterinary Examination Form;
- Specifies with exact radiographs need to be produced. It contains the basic Equestres full exam of 36 radiographs, neck and back radiographs and other possible radiographs which brings a vast binding enforceable expert verdict;
- More transparency in the equine business.
